More on Tables and Graphics

Jonathan Bowden

1 Introduction

Here we'll look at more table and graphics formatting.

1.1 More on Tables

Table 1 uses text wrapping in the last column

Table 1: Text Wrapping

CS101	Java	Programming with Java
CS201	Languages	Programming language principles
CS301	Compilers	Principles of compiler design and implementation

Table 2 uses row and column span

Table 2: Spanning Rows and Columns

	Ranges	
	X	Y
	7	9
Hot	5	8
	6	7
	4	7
Cold	2	9
	3	5

1.2 More on Graphics

Both of my graphics are in the graphics folder. Figure1a and Figure1b in Figure1.
